

Thailand Mission Teams: January 27 - February 11, 2012

The gospel is touching the lives of Thai families and Burmese immigrants every day, particularly those suffering under poverty and exploitation. We have an opportunity this winter to serve in Thailand alongside incredible MB Missionaries and support their long-term work.

A. Chang Mai Team (North):

- Serving with Rob and Judy Griffioen among Burmese immigrants who are struggling with poverty and at risk of exploitation. The team will serve through light construction and community clubs (e.g. English, Bible and music).
- Ministry Support is \$2750 (includes flight, all in-country expenses; all donations are tax deductible).

B. Chachoengsao Team (Central): Jan 27 - Feb 11:

- Serving Dave and Louise Sinclair-Peters among Burmese immigrants affected by recent historic flooding. The team will help flood victims rebuild their lives through light construction help, encouragement, and English, Bible and music clubs.
- Ministry Support is \$2750 (includes flight, all in-country expenses; all donations are tax deductible).

No matter your age, this is an opportunity to experience global mission first hand and assist MB missionaries with whatever talent or experience you bring to the team. These types of teams are critical in growing a healthy long-term church-missionary partnership.

Next Steps:
